

Zubin Jelveh

zjelveh@umd.edu • <http://zjelveh.github.io>

CURRENT POSITION	University of Maryland , College Park, MD Assistant Professor - College of Information & Dept. of Criminology and Criminal Justice 2021 -
OTHER AFFILIATIONS	University of Maryland , College Park, MD - Co-Director, Science & Society Emerging Research Interest Community - Artificial Intelligence Interdisciplinary Institute at Maryland - Research Affiliate - Women's Health Interdisciplinary Research Collaborative - Research Affiliate - TRAILS - Research Affiliate - Maryland Crime Research and Innovation Center - Research Affiliate - Associate Director, Center for the Study of Business Ethics, Regulation, & Crime 2025 - 2025 - 2025 - 2023 - 2021 - 2021 - 2023
	University of Chicago - Crime and Education Labs , Chicago, IL Research Affiliate 2021 -
PRIOR POSITIONS	University of Maryland - College of Information , College Park, MD Visiting Assistant Professor Apr 2020 - Jan 2021
	University of Chicago - Crime Lab New York , New York, NY Research Director 2017 - 2021
EDUCATION	New York University - Tandon School of Engineering , New York, NY Ph.D. in Computer Science 2017
	Columbia University , New York, NY - M.A. in Quantitative Methods in the Social Sciences - M.S. in Journalism 2011 2003
	University of Chicago , Chicago, IL B.A. in Economics 1999
JOURNAL ARTICLES	G. M. Campedelli, Z. Jelveh, A. Chalfin, D. Semenza, E. Piza, A. Albors Zumel, B. Lepri, and P. Sharkey. "Computational Approaches and the Future of Urban Crime Research." <i>Nature</i> , 2026.

WORKING PAPERS

- Z. Jelveh and A. Chalfin. “Perils and Pitfalls in the Use of Synthetic Control Methods to Study Public Safety Interventions.” Revise and resubmit, *Journal of Quantitative Criminology*. Resubmitted 2026.
- G. Stoddard, M. McNeill, A. Chouldechova, and Z. Jelveh. “Time is on your side: The benefits of time-sensitive factors in pretrial risk assessments.” Under review, *Journal of Quantitative Criminology*. Submitted August 2026.
- Z. Jelveh and X. Situ. “Base Rate Fallacy in Public Policy: Evidence from Nonfatal Strangulation Statutes.” Under review, *Criminology & Public Policy*. Submitted July 2026.
- J. Guzman, Z. Jelveh and B. Kogut. “The Spirit of SPIRIT: P-Hacking in Academic Clinical Trials.” Under review, *Research Policy*. Submitted February 2026.
- Z. Jelveh and L. Becker. “The Unintended Consequences of Pretrial Reform: Evidence from Maryland.” Working paper, 2026.
- A. Arora, A. Beberman, Z. Jelveh, and A. Motta. “The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims.” Working paper, 2026.
- Z. Jelveh, A. Arora, E. Andrade, and M. McNeill. “Can Pretrial Risk Assessments Reduce the Prevalence of Domestic Violence?” Working paper, 2026.
- Z. Chen and Z. Jelveh. “Synthetic Data for Systematic Evaluation: How Well Can LLMs Perform Deductive Coding of Economic Concepts?” Working paper, 2025.

INVITED CONFERENCE & WORKSHOP PAPERS

- “The Spirit of SPIRIT: P-Hacking in Academic Clinical Trials.” Science of Science Funding Summer Institute, *National Bureau of Economic Research*, 2024.
- “The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims.” Economics of Crime Workshop, *National Bureau of Economic Research*, Winter 2024.
- “Predicting Who Gets Shot: What We Learn About Algorithms and Fairness from Using Police Data.” Economics of Crime Summer Institute, *National Bureau of Economic Research*, 2020.
- J. Cantor, Z. Jelveh, and P. Tong. “The Impact of Access to Substance Abuse Treatment on Disability.” *National Bureau of Economic Disability Research Center Working Paper*, 2019.
- A. Chalfin, O. Danieli, A. Hillis, Z. Jelveh, M. Luca, J. Ludwig, and S. Mullainathan. “Productivity and Selection of Human Capital with Machine Learning.” *American Economic Review: Papers and Proceedings*, San Francisco, USA 2016.

SOFTWARE

- staggeredpower** – R package for simulation-based power analysis for staggered difference-in-differences designs.
<https://github.com/zjelveh/staggeredpower> In Progress
- SCMs** – R package for systematic evaluation of synthetic control method implementations.
<https://github.com/zjelveh/SCMs> 2024 -
- Name Match** – Open-source tool for high-quality record linkage using machine learning with active learning.
<https://github.com/urban-labs/namematch> 2022

GRANTS

Causal Evidence on Survivor-Centered Prosecution & Domestic Violence Outcomes ■ Arnold Ventures, \$3,992,487. Co-PIs: Abigail Adams and Elisa Jacome	2026
Theory and Metrics for Law-Informed Attribution of Human-Generative AI Liability ■ AIM Seed Grant (Cross-College Collaborative Award), University of Maryland, \$99,000. Co-PI: Furong Huang	2025
Planning Grant: Interventions to Support Domestic Violence Survivors in Cook County ■ Arnold Ventures, \$211,041. Co-PIs: Abigail Adam and Elisa Jacome	2025
The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims. ■ Arnold Ventures, \$90,000. Co-PI: Ashna Arora	2023
Effort-aware Fairness: Measures and Mitigations in AI-assisted Decision Making ■ TRAILS Seed Grant, Institute for Trustworthy AI in Law & Society, \$149,859. PI: Hal Daumé III. Co-PIs: Furong Huang, Donald Braman	2023
An Assessment of Pretrial Risk across Maryland Jurisdictions using Client Legal Utility Engine (CLUE) Data. ■ Governor's Office of Crime Control & Prevention, Maryland, \$313,104. (PIGF-2023-0021).	2022
An Assessment of Pretrial Outcomes across Maryland using the CLUE Data. ■ Governor's Office of Crime Control & Prevention, Maryland, \$267,156. (DRCE-2022-0001). Co-PI: Bianca Bersani	2021
Strengthening data-driven pretrial release in New Jersey. ■ National Institute of Justice, Research and Evaluation on the Administration of Justice Award, \$837,477. (15PNIJ-21-GG-02806-RESS). Co-PIs: Alexandra Chouldechova, Jens Ludwig, Sendhil Mullainathan, and Gregory Stoddard.	2021
Predictive Analytics Applied to Integrated Administrative Emergency Response Datasets in Chicago. ■ National Institute of Mental Health, Pilot Services Research Grants Not Involving Clinical Trials, \$397,365. (5R01MH117168-03). PI: Harold Pollack.	2021
The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims ■ Michael Reese Health Trust, \$35,000. Co-PI: Ashna Arora.	2019
Development of a Predictive Model to Assess Risks of Re-Victimization of Domestic Violence Victims in Latin America. ■ Inter-American Development Bank, \$95,370. Co-PI: Aaron Chalfin.	2018
Using Machine Learning to Identify High Risk Domestic Violence Offenders in New York City. ■ National Institute of Justice, Research and Evaluation on Violence Against Women Award, \$452,553. (2017-VA-CX-0033). PI: Jens Ludwig Co-PIs: Sendhil Mullainathan, Aaron Chalfin.	2017

PROFESSIONAL SERVICE

Referee:

- *AI & Society, American Economic Review, Humanities and Social Sciences Communications, International Review of Law and Economics, Journal of Policy Analysis and Management, Journal of Quantitative Criminology, PNAS Nexus, Quarterly Journal of Economics, Security Journal, Sloan Foundation, Sociological Methods and Research, Swiss National Science Foundation*

Professional Service:

- Conference on Artificial Intelligence, Ethics and Society
 - Program Committee (2025)
- Association for Public Policy Analysis and Management
 - Program Committee – Crime & Drugs (2022)
- American Society of Criminology
 - Workshop/Panel Organizer (2021 -)

University Service (University of Maryland):

- College of Information:
 - MIM Program Data Subcommittee (2025)
 - APT Subcommittee (2024 -)
 - Awards Committee (2024)
 - InfoSci Committee (2023 - 2025)
 - Data Science Committee (2022 - 2023)
 - RCC Committee (2021 - 2022)
- Department of Criminology and Criminal Justice:
 - Co-Organizer, Joint INFO-CCJS Workshop on Urban Informatics (2024 - 2025)
 - CCJS/Social Data Science PTK Search Committee (2024 - 2025)
 - Kimchi Memorial Graduate Award Committee (2022 - 2023)
 - Speaker Series Committee (2022 - 2023)
 - Statistics and Teaching Committee (2021 -)
 - Graduate Affairs Committee (2021 - 2022)
- University:
 - AIM Seed Award Review Committee (2025 - 2026)
 - AIM Search Committee (2024 - 2025)
 - TRAILS Communications and Content Committee (2024 -)

ADVISING

Ph.D. Advising:

- Zhuohui Chen (College of Information)
- Co-advise: Marilyn Harbert (College of Information)
- Daniel Ruskin (College of Information)
- Co-advise: Tin Nguyen (Computer Science)

TEACHING

University of Maryland

- College of Information Studies
 - A.I.-Powered Research Assistants (Graduate)
 - Data Science Techniques (Undergraduate)
- Department of Criminology and Criminal Justice
 - Foundations of Data Science for Criminology (Undergraduate)
 - Data Science for Criminology (Graduate)
 - Coding for Criminology (Undergraduate)

Short Courses

- Florida College of Advanced Judicial Studies: Artificial Intelligence in the Criminal Justice System (2023)
- American Society of Criminology: Applications of Machine Learning in Criminology and Criminal Justice (2019)

AWARDS & FELLOWSHIPS

- Teaching Innovation Award (Cloud-based Active Learning for BSOS Statistics and Data Science Courses) 2022
- Crime Lab New York Doctoral Fellow 2014

- National Science Foundation IGERT Fellow 2011 - 2013
- Malofiej Silver Award for Infographics 2007
- New York Times Punch Award 2005

INVITED TALKS

- “Base Rate Fallacy in Public Policy.” University of Chicago Crime and Education Lab Seminar, 2024.
- “Machine Learning Can Predict Shooting Victimization Well Enough to Help Prevent It.” University of Chicago Crime and Education Lab Seminar, 2022.
- “The Lessons and Limits of Predicting Shooting Victimization.” CLIPS Colloquium, University of Maryland, February 2021.
- “The Role of Machine Learning in Social Policy.” Workshop on Machine Learning, Theory, and Methods in the Social Sciences. Institute for Advanced Study, Princeton, NJ, USA, March 2020.
- “Machine Learning in Public Policy.” School of Education, New York University, New York, NY, USA, April 2019.
- “The Effect of Record Linkage on Treatment Effect Estimation and Prediction.” School of Criminal Justice, Rutgers University, Newark, NJ, USA, March 2019.
- “Machine Learning in Public Policy.” Department of Criminology & Criminal Justice, University of Maryland, College Park, MD, USA, November 2018.
- “Machine Learning in Public Policy.” Quantitative Methods in the Social Sciences Seminar, Columbia University, New York, NY, USA, April 2016.
- “Politics in Economics.” Text-as-Data Speaker Series, Center for Data Science, New York University, New York, NY, USA, October 2015.
- “Politics in Economics.” Text Analysis Conference, Princeton, NJ, USA, May 2015.
- “Detecting Opinion Spam/Algorithmic Statistical Discrimination.” Microsoft Research, New York, NY, USA, November 2014.
- “Methods for Detecting Ideology from Text.” Quantitative Methods Seminar, Department of Politics, New York University, New York, NY, USA, April 2014.

REFEREED PRESENTATIONS

- “Domestic Violence and Pretrial Detention.” *American Society of Criminology Annual Meeting*, 2025.
- “Unlocking the Laboratory of the United States Federal System with LLMs.” *American Society of Criminology Annual Meeting*, 2025.
- “Perils and Pitfalls in the Use of Synthetic Control Methods to Study Public Safety Interventions.” *Conference on Data Science and Law*, 2025.
- “Base Rate Fallacy in Public Policy.” *Virtual Crime and Economics Seminar*, Arnold Ventures, 2025.
- “Base Rate Fallacy in Public Policy.” *American Society of Criminology Annual Meeting*, 2024.
- “Predicting and Preventing Pretrial Domestic Violence in New Jersey.” *Association for Public Policy Analysis and Management*, 2024.
- “P-Hacking in Clinical Trials.” Science of Science Funding Summer Institute, *National Bureau of Economic Research*, 2024.
- “Perils and Pitfalls in the Use of Synthetic Control Methods to Study Public Safety Interventions.” *American Law and Economics Conference*, 2024.
- “The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims.” Economics of Crime Workshop, *National Bureau of Economic Research*, 2024.
- “Perils and Pitfalls in the Use of Synthetic Control Methods to Study Public Safety Interventions.” *American Society of Criminology Annual Meeting*, 2023.
- “The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims.” *Conference on Data Science and Law*, 2023.
- “The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims.” *American Society of Criminology Annual Meeting*, 2022.
- “Domain Adaptation for Record Linkage.” *American Society of Criminology Annual Meeting*, 2021.
- “Domain Adaptation for Record Linkage.” *Association for Public Policy Analysis and Management*, 2021.
- “No Ground Truth? No Problem: Improving Administrative Data Linking Using Active Learning and a Little Bit of Guile.” *Association for Public Policy Analysis and Management*, 2021.

	“The Impact of Specialized Prosecution on the Safety of Domestic Violence Victims.” <i>American Law and Economics Association Annual Meeting</i>, 2021. “The Lessons and Limits of Predicting Shooting Victimization.” <i>The Stockholm Criminology Symposium</i>, 2021. “Identifying Individuals at Highest Risk of Behavioral Health-Involved Encounter with Police.” <i>AcademyHealth Annual Research Meeting</i>, 2021. “Use of Emergency Services Agency Administrative Data to Predict Individuals’ Risk of Behavioral Health-Involved Encounter with Police.” <i>Association for Public Policy Analysis and Management</i>, 2020. “Predicting Who Gets Shot: What We Learn About Algorithms and Fairness from Using Police Data.” <i>Association for Public Policy Analysis and Management</i>, 2020. “P-Hacking Across Organizations.” The 4th Annual Theory of the Firm Conference.
